CAMPING COACHES

THE new idea for holiday enjoyment; all the pleasures of camping, a carefree life, the invigorating freshness of the open air, and yet the solid comfort of a wind- and weather-proof coach to use as a home.

A number of railway coaches have been equipped to provide attractive accommodation for camping holidays. Each coach has two separate sleeping compartments (together accommodating six people), a living room and a kitchen. An ample supply of blankets, sheets and pillows is available in the sleeping compartments; the living room is fully equipped with crockery, cutlery and linen, whilst in the kitchen, cooking stoves and all cooking requisites are ready to hand. Clean linen is provided each week.

35 of these Camping Coaches are available; 20 in North East England; 10 in Scotland and 5 in East Anglia.

The charge for the occupation of a coach is £2 10s. 0d. per coach per week. If a coach is occupied by six people it will be seen that the charge is less than 10/- per week each. There are no extra charges, apart, of course, from the cost of provisions and of paraffin for heating and lighting, but tenants of Camping Coaches are required to travel by rail to the station at which their coach is located.
